

## Directions for use

**Directions:** FOR USE IN THE EAR ONLY. Adults and children over 12 years of age. Tilt head sideways and place 5 to 10 drops into ear. Tip of applicator should not enter ear canal. Gently pull ear lobe back and forth to allow drops to soften wax in ear canal. Keep drops in ear for several minutes by keeping head tilted or placing cotton in the ear. Use twice daily for up to 4 days if needed, or as directed by a doctor. Any wax remaining after treatment may be removed by gently flushing the ear with warm water, using a soft rubber bulb ear syringe. Children under 12 years of age: consult a doctor.

**Warnings:** Do not use if you have ear drainage or discharge, ear pain, irritation, or rash in the ear or are dizzy; consult a doctor. Do not use if you have an injury or perforation (hole) of the ear drum or after ear surgery unless directed by a doctor. Do not use for more than 4 days; if excessive earwax remains after use of this product, consult a doctor. Avoid contact with the eyes.
